## Chips

Our personal staff statistician has just reported on the cost of the Interfraternity Prom to each man attending. He bases his total on his wide experience, and on the law of averages, and other things. We pass it on to you for what it is worth.

Ticket, \$5.00. Corsage, \$2.50 (very moderate indeed). Shoe shine (with tip), \$.20. Hat check, \$.15. Laundry (not Chinese), \$.35. Barbering (moustache trimming extra), \$.125. Transportation (wrong for everybody), \$1.00. Child's (if she's not hungry), \$1.00. Pressing Tux, \$.50. Cigarettes and life savers, \$.25. Incidentals, \$.30. Total, \$12.50. (Refreshments extra.)

Which goes to prove that it will be one large evening for all concerned. The favors are not known as yet, but it is given out on good authority that all good dates are taken. The only fault we have to find is that stags may cut even in the program part of the hop, and our woman, being popular, will see us once during the evenings.

These Pi Deltas, in typical bargain fashion, realizing that the Prom is on Friday, offer two copies of their scandal rag for two bits. Our statistician tells us that this is at the rate of two and one-twelfth cents a page. Cheap at half the price!

Tonight the possession of a cup which will be presented Friday will be settled. The T. U. O's and the Sig Alphas meet to decide the affair, but it won't be nearly so colorful as the grudge match between the T. U. O's and the Phi Sigs.

It seems that in the race just ended, the T. U. O's and the Phi Sigs each won the same number of games, but the former won by virtue of spilling more total pins than the latter. The Phi Sigs hold that they could have smashed more pins if necessary, but that they didn't try because they won their games too easily. Whereupon the T. U. O's make uncomplimentary remarks.

We understand that two members from each fraternity have been dispatched to Chicago to procure the latest models in the way of machine and sawed-off shotguns. Sabers will be used, but blackjacks barred, according to authorities in charge of the grudge match. This row is scheduled for next week.

Now that the Wig has exposed conditions in football, Coach Crum may catch up on his sleep. Burt was sent out early last week when the literary efforts was first to come out, but his four-day search was unsuccessful until Monday.

We would say that the cleverest comment was that of Rowland Lyon, but then the campus would say that Rollo writes this column. And say, the latest dope is that Herb Anglin pounds out this stuff weekly. Who ever heard of a chairman with brains enough to write a column? We are insulted. And what's worse, Dean Doyle says a girl writes the column.

Alpha Delta Theta wins the scholarship cup again. Talk about your fraternity monopolies!

Tickets were at a premium last week when a prominent establishment downtown held a fashion show where G. W. girls participated. It's a strange thing how interested in women's clothing men can become on occasion.

Sphinx elects three co-eds, with only one Greek among them. Politics of the old school seem to have gone by the board, undoubtedly leaders of ancient regime are turning over in their berths six feet under.

The student clamor has been answered, and cuts are to be allowed, beginning next fall. It's a wise regulation that isn't too harsh.

Those who missed hearing the frosh orate the other evening should kick themselves severely. The kids are good.

A wag suggests that in this era of scant parking space, autos be allowed to park on top of these two-story restaurants, combining business and pleasure. The couples may eat, and then go up to park, or else park, and when hungry, go in and eat. The plan has possibilities.

See you at Bucky's Glorified Dollar Dance (Glorified Five Times), or else in the Razz Berry.

## MISS KINCANNON RESIGNS POST OF ASST. REGISTRAR

University Officer Severs Connection After Service of Seven Years

GOES TO COLUMBIA AS PERSONNEL DIRECTOR

Executive Secretary of Committee on Admissions Among Positions Held by Miss Kincannon

Linda Jane Kincannon, Assistant Registrar of the University, leaves for New York on April 1 to become Personnel Director in the Home Study Division of Columbia University.

Miss Kincannon has been associated with the University for the past seven years. During her term of service she has been Registrar of the Department of Arts and Sciences, and as such, Executive Secretary of the Committee on Admissions; and under the new University organization, which separated the Department of Arts and Sciences into separate academic units, she has served as Assistant Registrar of the University. She is a member of the National Association of Collegiate Registrars, and for several years was President of the Maryland Branch of that organization.

The retiring Assistant Registrar holds the degree of Master of Arts from the University. Her undergraduate work was taken at Martha Washington College in Virginia. She has studied also at the Mississippi State College for Women, and has done graduate work at the University of Virginia.

**Sees Standards Raised**  
During her service with the University, Miss Kincannon has seen the student body increase in size from 3,500 to 6,000. In the past seven years, the force required in the registrar's office has been enlarged to fifteen regular workers as compared with the three or four necessary when Miss Kincannon came to George Washington. Standards for admission to the University have been constantly made more strict, until now the entrance requirements are among the most exacting in the country.

"I have only the greatest love for George Washington and its faculty and students," Miss Kincannon said, "but despite my interest in the University, I felt that I must accept the greater opportunity offered to me."

## ENGINEERING BANQUET PLANNED FOR APRIL 13

President Marvin; Dean Lapham, Prominent Engineers Among Guests of Engineers

Members of the several classes and the technical societies in the Engineering School have completed arrangements for an Associated Engineers banquet to be held at the Mayflower Hotel, Saturday, April 13, 1929, at 7.45 p. m.

This banquet is the result of a concentrated effort on the part of the engineering student body to get together and meet their classmates under more sociable conditions than are found in the classroom. The plan has the approval of the faculty members of the School of Engineering who are giving their united support in furthering the success of the undertaking.

All engineering students and alumni are urged to attend. The program arranged for the evening includes addresses by Cloyd Heck Marvin, President of the University; John R. Lapham, Dean of the School of Engineering, and several of the foremost engineers of the United States. Various forms of entertainment have also been planned for the evening.

It is hoped that the attendance will be 100 per cent and students are therefore requested to secure their tickets at once from any of the following committee: R. L. Orndorff, chairman; J. F. Fox, C. S. Bruce, D. N. Whitmeyer, R. E. Phelps, Mechanical Engineering; W. J. Ellenberger, R. M. Wood, F. H. Bronaugh, Electrical Engineering; L. H. Phelps, R. P. Mulligan, Chemical Engineering, and H. N. Schofer, W. B. Clapham, C. V. Bryans, Civil Engineering. Tickets may also be secured in the office of the Engineering School.

## PHYSICS GROUP MEETS

The next meeting of the Physics Colloquium will be held in Building 4, Room 23, March 22, at 8 p. m. Professor Rouse of American University will speak on "Ionization Potentials and Resonance Potentials." All persons interested are cordially invited to be present.

## OLIVER BOWLES TO GIVE LECTURE

U. S. Supervising Engineer to Speak Before Sigma Gamma Epsilon

## ORIGIN OF SLATE SUBJECT

Eminent Mining Authority Responsible for Development of Improved Processes

How a steel wire is to cut massive slate from the earth will be described by Dr. Oliver Bowles, Supervising Engineer of the Structural Materials Section of the U. S. Bureau of Mines, in an illustrated public lecture at Building 4, Room 34, March 28, at 7.30 p. m. This talk will be under the auspices of Sigma Gamma Epsilon, the geologic fraternity, which is sponsoring a series of similar open meetings.

Slate is used as a roofing material, in blackboards, electrical switchboards, floor tile, baseboards, stair treads, etc. The quarrying of slate has until recently been accompanied by a waste of from 75 to 90 per cent of the raw material.

## Economies Effected

Under the direction of Dr. Bowles, the wire saw was introduced and improved, until now, only two years after its introduction, such tremendous economies have been effected that almost all slate quarries have installed the new equipment.

Dr. Bowles will tell how slate occurs, how it was formerly taken from the ground, and the development of this new improved equipment. Lantern slides will illustrate the talk, which will be of great interest to all students of geology, engineering, general science, and to those who possess a natural curiosity about objects surrounding them in daily life.

## Temple U. Debaters Speak Here Tonight

Opposing G. W. Team Includes Betty Reeves, Virginia Frye, and Ruth Kernan

A girls debate team composed of Betty Reeves, Virginia Frye, and Ruth Kernan will meet a team from Temple University tonight, March 20, at 8 p. m., in Stockton Hall 1. The question will be, "Resolved, That the present American Jury System should be abolished." The G. W. girls will uphold the affirmative, and the girls from Temple the negative. The decision will be by judges.

Plans are being completed for a tour to Philadelphia and New York to take place on April 19 and 20. The girls who will make this trip are Ruth Kernan, Margery Mothershead, and Louise Feinstein.

## STUDENTS SHOULD APPLY FOR SCHOLARSHIPS NOW

## DR. BARTSCH TO SPEAK

The second meeting of the new semester of the Schoenfeld Verein will be held this evening, at 8.30 p. m. Dr. Bartsch, Professor of Zoology at George Washington, will give an illustrated lecture on his investigations in marine fauna.

After the lecture, a social meeting will be held in the Chi Omega rooms where games will be played.

## NEW CUT EDICT FOR COLUMBIAN COLLEGE MADE

One Cut For Each Semester Hour Carried, Committee Decrees

CHANGE IS EFFECTIVE DURING YEAR 1929-1930

Exceptions Made in Cases of Honor Roll Students and Students on Probation

A cut for every semester hour carried will be allowed beginning next September with several exceptions, as a result of the meeting of the faculty of Columbian College held last Friday, where the report of the Scholarship Committee of that body was adopted. No change will be made in the regulation concerning cuts for this semester.

At the same time the policy of Columbian College was liberalized so that students who have knowledge equivalent to that contained in courses in the College may apply for, and receive examinations at stated times in those courses without attending classes, though no academic credit will be allowed in such cases. Thus students may pass examinations in elementary subjects, and while receiving no credit for them, may take advanced work for which the more elementary work may be a prerequisite.

Under the plan which goes into effect for the school year 1929-30, the student is held responsible to the instructor in charge for all of the work of a course in which he is registered, and all absences must be excused before provision will be made for him to make up the work missed.

With the exceptions noted below, occasional absences, not to exceed in number for each semester the semester hours of credit for the semester, will be automatically excused. (Where a course has distinct divisions, such as lectures, laboratories, recitations, and other divisions, these excuses apply prorata to such separate divisions.) In applying this rule, absences adjacent to holiday periods are to be counted double.

## Honor Students Left Free

Such automatic excuses are intended to cover the occasional minor exigencies, and not to constitute an indiscriminate privilege. Students on probation are allowed no automatic excuses, while students on the honor roll are left upon their own responsibility.

Excuses for any absences in excess of those automatically excused, as well as for absences from two or more consecutive class periods, and for absences from examinations which have been announced in advance, can be obtained only by making written application to the Dean of Columbian College.

The Scholarship Committee is composed of Prof. Thomas H. Brown, Prof. John Donaldson, and Prof. Edward H. Sehr.

## BANQUET ANNOUNCED BY COLUMBIAN WOMEN

Unusually Brilliant Affair Planned For April 11 at Chevy Chase Club

The twenty-first annual banquet of The Columbian Women of the George Washington University will be held Thursday evening, April 11, at seven o'clock. Through the courtesy of the President of the Chevy Chase Club, Mr. William D. Hoover, and the Board of Governors, the banquet will take place there again this year.

This year's banquet promises to be an unusually brilliant occasion, with Madame Debutch, wife of the Ambassador of Japan, Mrs. Larz Anderson, a distinguished honor graduate of the University; Mrs. Cloyd Heck Marvin, wife of the President of the University, and Mrs. John Bell Larner, wife of the Chairman of the Board of Trustees, as guests of honor. Mrs. Harvey W. Wiley, who is bringing to a close the second year of her most successful administration as President, will preside. Mrs. Joshua Evans, Jr., only woman member of the Board of Trustees of the University, will act as hostess, as she has for the past ten years or more.

Each year since 1907, the annual banquet has been the culmination of an active year of service.

The past year has been a particularly notable one in the history of Columbian Women, marked by such brilliant social functions as the reception in honor of the President of the University and Mrs. Cloyd Heck Marvin at the home of Mr. and Mrs. Larz Anderson, and the theater benefit given on October 21, when it was the privilege of the Columbian Women to have as honor guests the President of the United States and Mrs. Calvin Coolidge.

## PROM LEADER

Miss Emily Pilkenton, Chi Omega and Society Editor of the Hatchet, who will lead prom.

## SPHINX ELECTS THREE CO-EDS

Girls Honored Are Elizabeth Buntin, Elizabeth Ford, and Virginia Shull

## GIRLS CHOSEN ARE ACTIVE

Scholarship and Activities Determining Factors in Making Elections

The Sphinx Honor Society of George Washington University announces the election to membership of Elizabeth Buntin, Elizabeth Ford, and Virginia Shull. Initiation will be held Sunday, March 24, at the home of Louise DuBose, president of the society.

Virginia Shull is a Junior in Columbian College, and has an average of 95.5 per cent for her three years' work at the University. She is a member of Schoenfeld Deutsche Verein, and is prominent in musical circles.

Elizabeth Buntin has an average of 92.38 for her work at the University. She is art editor of the Ghost and a member of the Board of Editors, and is a member of the Y. W. C. A. cabinet. In 1928 she was a Y. W. C. A. delegate to Eagles Mere Conference, and was a member of the art staff of the 1928 Cherry Tree. She is a Junior in Columbian College.

## Active on Publications

Elizabeth Ford is a member of the Board of Editors of the Colonial Wig and of the Ghost. She is a frequent contributor to the Wig, and is a pledge of Gamma Eta Zeta, women's honorary journalistic fraternity. She is a member of the Phi Delta-Sorority. Her scholastic average is 92.03.

Sphinx is a society founded to promote and recognize high scholarship among the women of the University, and a high scholastic average is the chief requirement for election. At a meeting of the society held several weeks ago the undergraduate members unanimously voted to raise the required scholastic average and to consider for membership women who have not participated to the greatest possible extent in college activities if these students seem to possess the qualities of character and leadership which Sphinx tries to achieve. The recent election, it is announced, have been conducted solely on this basis and only candidates whose scholastic achievements have been remarkable have been considered for election.

## Bridge Tournament Is In Second Week

League I consists of Kappa Delta, Phi Phi Delta Zeta, Alpha Delta Pi, Sigma Kappa and Alpha Delta Theta. League II comprises Zeta Tau Alpha, Phi Delta, Phi Mu, Chi Omega and Gamma Beta Pi.

Presentation of the trophy, which is to be decided upon by the Panhellenic Council, will be made at the Panhellenic Prom on April 12.

## ENGINEERS TO PLAY BALL

Baseball practice for Engineers will soon start and all ball playing Engineers are urged to report to Manager Charles Morris or to Professor Arthur F. Johnson on the top floor of Lisner Hall. Already enough men have turned out to insure two teams for practice, and Manager Morris predicts a successful season.

## PLANS COMPLETE FOR UNIQUE PROM ON FRIDAY NIGHT

Three Orchestras Will Play For Interfraternity Prom at Willard Hotel

BLUE LEATHER PROGRAMS ARE STAMPED WITH SEAL

Razz Berry, Scandal Sheet, Will Come Out at Midnight After Grand March

All plans for the annual Interfraternity Prom, which will be held this Friday, March 22, at the Willard, from ten until two, have been completed, according to the committee in charge of the event. Since this is the biggest social event of the year—and since it is probably more highly touted and advertised than any other in recent years, a record crowd is expected.

With three orchestras playing, and with favors for both men and women, that the prom will be unique, no one can deny. The orchestras are Emory Daugherty's Lido Orchestra, Wesley Eddy and his Palace Band, and the Aster Orchestra.

Programs have already been issued to the fraternity men who will attend the event. These are enclosed in a handsome blue leather case, stamped with the seal of the University. After the prom is over, they will be used as card cases, and will serve as mementos of the prom in years to come.

## Stag Tickets Available

Stag tickets will be sold, as they were last year, although the tickets will be three dollars. Stags may be admitted at any time during the prom, although they will not be permitted to cut during the early part of the evening, and will not receive the souvenir programs.

At twelve the grand march will begin, led by Henry W. Herzog, chairman of the prom, and Miss Emily Pilkenton. The Interfraternity Council will follow, and after that the guests. Immediately afterward the athletic trophies, won by the various fraternities, will be awarded, as well as the scholarship cup, given annually to the fraternity making the highest average.

After the trophies are given out, copies of The Razz Berry, annual sa-

## WE GET OUR CUTS

Beginning next fall students will be allowed occasional absences not to exceed the number of semester hours which they are carrying, with the exception that students on probation are allowed no cuts; and students on the honor roll are unrestricted on the matter. Cuts in excess of this number provided can be excused only by the Dean of Columbian College, upon written application of the student.

This is a liberal ruling and one that will find full student approval. A cut a semester hour allows a leeway for unusual circumstances which require an occasional absence. Honor students are rewarded by being given free rein so long as their absences are not consecutive or are not taken when an examination is scheduled. Abuse of the cutting privilege is prevented by limiting the number to the same total as semester hours, and by requiring written application for excuses beyond that number. Absences before and after holidays are penalized by being counted double. All students on probation are required to attend all classes.

The Hatchet welcomes the change, and on behalf of the students, thanks the faculty of Columbian College for its ruling.

## LINDA JANE KINCANNON

Linda Jane Kincannon, Assistant Registrar of the University, has for seven years been a real factor in the life of George Washington. For five years she has been Registrar of the Department of Arts and Sciences and an efficient executor of that business. Miss Kincannon in resigning her position at this University will take up her work in Columbia University as Personnel Director in the Home Study Division of that school.

Miss Kincannon's work at the University needs no comment. It has contributed greatly to the improvement which has been seen year by year. All those students who have come into contact with her have felt her personal interest and energetic help in the straightening out of their affairs.

We, as the student body, regret the loss of Miss Kincannon and feel that a place will be empty in the hearts of the students of George Washington which will remain unfilled. No doubt of Miss Kincannon's success in her future work can be entertained and we hope that she will enjoy her new position as much as the University appreciates her service and friendship in the past.

Old War Horse March must be the month for fraternal inspiration judging from the number of Founder's Day banquets and initiation ceremonies which have been announced recently. Socially speaking, nothing looms ahead to compete with the big gathering of Greeks on Friday evening, at the Willard, the Annual Interfraternity Prom.

District of Columbia Alpha Chapter of Sigma Phi Epsilon Fraternity held its twentieth Installation Banquet last Saturday night at the National Press Club.

The honored guest of the evening was "Uncle" Billy Phillips, one of the founders of the National Chapter. ## Newman Club Plans Many Special Features

Business Meeting Precedes Trip to Georgetown University Observatory

The Newman Club will meet in Room 22, Corcoran Hall, Thursday, March 21, at 7.45 p. m. There will be a short business session for the appointment of committees to arrange for the remaining social functions of the club, after which the members will go to the Georgetown University Astronomical Observatory.

Father Walsh, the Director of the Observatory, will lecture to the club and explain the workings of the telescope. If the weather is favorable, everyone present will have an opportunity to get a close-up on the stars. The trip promises to be a very interesting one and all students of the University are invited to attend.

The members of the club will attend the nine o'clock Mass at St. Patrick's Church on Palm Sunday, March 24, after which there will be a breakfast at the Hotel Harrington.

## TWO G. W. MEN PASS FOREIGN SERVICE EXAM

Kayser, Farnham and Croissant Act as Judges in Contest Staged by Fraternity

Ancel Taylor won the silver cup offered by the Phi Delta Gamma in the Freshman oratorical contest sponsored by the same honorary forensic fraternity, last Friday evening, March 15, in Corcoran Hall 1.

In addition to the silver cup two medals were awarded. Joseph Tarshes and Juan Quijano, the other two, selected by the judges among the three best of the nine contestants, received medals.

## Professors Judge Contest

The judges were Professors Elmer Louis Kayser, George Farnham and DeWitt Clinton Croissant. According to the rules of the contest this contest will be given among the Freshmen of the University every year and the judges will be the secretary of the University, the head of the English Department, and the professor in public speaking.

The contest was very interesting. A variety of subjects was presented. It ranged from Philippine independence to the U. S. marines.

## Girls Lose

There were three girls in the contest but none of them was lucky to win a place.

The rules governing the contest require that the three factors—content of oration, delivery and stage presence be given equal rating.

## Pipe Smoker Has a "Kick" All His Own

St. Paul, Minn. June 1, 1927

Larus & Bro. Co. Richmond, Va.

Gentlemen:  
About five years ago, after trying out many different styles of pipes from the Missouri meerschaum to the genuine meerschaum, including the upside-down style made popular by Vice-President Dawes, and experimenting with just about all the tobaccos then on the market except Edgeworth, I finally decided that pipe-smoking was not for me.

For the last year or so I noticed the boys around the office here using Edgeworth to the exclusion of all other tobaccos and evidently getting real pleasure from their pipes.

In April of this year I was in Canada on a business trip and decided to take another whirl at pipe-smoking. So I invested a good share of my savings in a pipe and a few cents additional for a can of Edgeworth.

From then on I have been figuratively kicking myself around the block about once each day when I think of the five lean years I put in trying to get along without a pipe. However, I am trying to make up for lost time and am succeeding quite well. Why I failed to try Edgeworth long ago will have to go down in history as an unsolved question. But now that I have found it, the years ahead look rosy to me.

Very truly yours,

Ben Bayer

## COLONIAL SEXTET LOSES LAST B. B. GAME OF SEASON

G. W. Women Hold Lead Until  
Last Period of Play;  
Then Lose Game

CRUMLEY SCORES ALL  
THIRTY G. W. POINTS

Home Team Holds Strong Opponents  
Down by Speed and Accu-  
rate Shots

After holding the lead over the Swarthmore sextet until the last five minutes of play in a speedy game of basketball, the George Washington women basketball team were defeated in the last game of their season by a score of 38-30, Friday afternoon, March 15, on the Pennsylvanians' floor.

For the first three periods of the contest, the Colonials held themselves well in the foreground, but were unable to hold back the whirlwind rally of the Quakers in the last period.

**Hold Opponents**  
George Washington scored first and maintained the lead by 18-16 at the half, and held their opponents at 27-22 at the start of the last session. With five minutes to play the score was tied at 30-30 with both teams fighting tooth and nail to gain the deciding points.

George Washington was unable to score another point, while Rickards of Swarthmore crashed through for four two-point field goals, bringing the final tally up to 38-30 in a spectacular whirlwind finish.

This is the only game in which the Colonial sextet has held Swarthmore down so decisively, and has been able to maintain such an appreciable lead for so long a period. The G. W. team played with speed and until the dying minutes of the game, with greater accuracy than ever exhibited before against these powerful opponents.

**Crumley Scores**  
Naomi Crumley scored all 30 points for the home team, caring neat shots almost as often as she got hold of the ball.

Play in the center field was well matched with Jenny Turnbull playing up to her usual good form; having to fight hard against the fast Swarthmore combination of Stirling and Walton.

The lineup:

G. W. U. (30) Swarthmore (38)  
Crumley, F. Bennett  
Berryman, C. Rickards  
Denning, F. Stirling  
Turnbull, S. C. Walton  
Zimmerman, G. Harvey  
Folsom, G. Newcomb

Goals: Crumley, 11 two's, 8 one's; Bennett, 8 two's, 3 one's; Rickards, 9 two's, 1 one.

Substitutions: Sime for Zimmerman, Ewin for Sime, Sime for Ewin, Albert for Denning, Denning for Albert, Tily for Harvey, Harvey for Tily, Tily for Newcomb.

Referee: Mrs. Haugen, Washington.  
Umpire: Miss Allen, Temple.

## GREEKS TO START BASEBALL APRIL 7

Games Must Be Played on Sunday Designated by Schedule

GAMES TO BE 7 INNINGS

Four and One-Half Innings to Constitute Game if Rain Interferes

Combined with the announcement of the 1929 interfraternity baseball schedule made public Sunday came one of the most drastic of all edicts concerning fraternity activities ever made by the interfraternity council.

Remembering well the difficulties encountered in finding the champion nine last year, the council declared unconditionally that all scheduled games must be played on the date set. Only Plusius with his torments will offer sufficient excuse for a postponement, the eleven representatives emphatically stated in unison.

The games postponed by rain or wet grounds may be played during the following week, or if that is impossible, it must be played on the next Sunday as a double-header with the regular scheduled game. All games will be seven innings, but if stopped before the end by inclement weather, four and one-half innings will constitute a league game, the edict concluded.

As in the past, the games will be played on Sundays, starting April 7 with the finals being scheduled for May 19. Managers of the various teams will arrange among themselves as to where the games will be played.

Tennis schedules and the date for the interfraternity track meet will be announced by the council Sunday. At the same time, eligibility rules for the three sports will be drawn up.

### Schedule Announced

The complete baseball schedule is: April 7—League A: S. A. E. v. T. D. X.; Sigma Nu v. S. P. E.; Delta Tau Delta v. Acacia. League B: P. S. K. v. Sigma Chi; Kappa Alpha v. Kappa Sigma; T. U. O. bye.

April 14—League A: T. D. X. v. Sigma Nu; S. A. E. v. D. T. D.; S. P. E. v. Acacia. League B: Kappa Alpha v. P. S. K.; Sigma Chi v. T. U. O.; Kappa Sigma bye.

April 21—League A: T. D. X. v. D. T. D.; Sigma Nu v. Acacia; S. A. E. v. S. P. E. League B: P. S. K. v. T. U. O.; Sigma Chi v. Kappa Sigma; Kappa Alpha bye.

April 28—League A: T. D. X. v. Acacia; Sigma Nu v. Delta Tau Delta; S. P. E. and S. A. E. byes. League B: P. S. K. v. Kappa Sigma; Sigma Chi v. Kappa Alpha; T. U. O. bye.

## GREEKS CLASH TONIGHT FOR ALLEY SUPREMACY

S. A. E. and T. U. O. Meet at Convention Hall for Interfraternity Bowling Championship

At approximately ten o'clock tonight the winner of the coveted interfraternity bowling cup will be decided and announced to the expected large gallery of partisan fans. Theta Upsilon Omega is scheduled to meet Sigma Alpha Epsilon in the finals for the championship at Convention Hall at eight o'clock.

Both of the teams have had their ups and downs during the season, but computed averages indicate a close match tonight. S. A. E. won the League B title without a dispute, but the T. U. O.'s had a little more difficulty, finally nailing out the Phi Sig by adding the total number of pins obtained.

Probable line-ups for the championship games are:

## WOMEN RIFLERS EXCEL AS SHOTS

George Washington Keeps N. R. A. Championship For Third Successive Year

BEAT MARYLAND 30 POINTS

Rifle Team Scores 498 Points in Telegraphic Match Against Penn State

Maintaining their superiority over all comers by a margin of thirty points, the George Washington women's rifle team took the National Rifle Association championship away from all contestants for the third year in succession with a total score of 2972.

The nearest competitors for the title were the members of the Maryland University squad who rolled up 2942 points to the G. W. 2972. Carnegie Tech turned in a score of 2921 for third place.

In a telegraphic match against Penn State, shot on Saturday, March 16, the rifle team improved on their previous remarkable scores by dropping only two points for a total of 498 points out of a possible 500. Last week against the University of Washington, the co-ed riflers scored 497 points and this week improved on that record. The scores from the Penn State team have not been received as yet.

**Individual Scores High**  
Individual scores shot against Penn State are:

Betty Clark	100
Marjorie Leighy	100
Helen Taylor	100
Roberta Wright	99
India Belle Corea	99

Next Saturday, March 23, the George Washington rifle range will be the scene of a shoulder-to-shoulder match between the G. W. shots and the Maryland co-ed rifle team.

After the match, the George Washington team is giving a banquet in honor of the Maryland women at Tally-Ho Tavern. Besides members of the G. W. varsity squad and their assistant managers, several prominent alumni, who were formerly members of the rifle team, will be present, among them Katty Schumaker, Ermyrude Valden and Mae Hutzenberger. Walter Stokes will also be among the guests of honor, as will Miss Eugenia Davis, Miss Evelyn Jones and a representative of N. R. A.

The Dot and Circle championship was shot off on Tuesday, March 19, scores for which will be announced at a later date.

### Interclass Matches Planned

The interclass matches are to be held next week. Three teams will probably participate, Freshman, Sophomore, and Junior-Senior, with four girls on each team.

## CREDIT WILL BE GIVEN NEXT YEAR IN CALISTHENICS

New Plan Providing For Physical Director To Be Established

### STUDENT ACTIVITIES NOW IN UNIVERSITY BUDGET

Budget of Activities Will Be Published in Next Issue of Hatchet

Academic credit will be allowed for physical education, beginning next year it is hoped, according to the administration.

This step logically follows the action of the Deans of the University, who approved a program of physical education for the University this year for the first time in its history. It is hoped that a program can be worked out in time for next year, when physical education will be under the direction of a man specifically trained for that work, who will have the coaches of the several sports, as well as his own assistants working under him.

A further move to make student activities a part of the University proper, instead of a separate entity existing outside of it, was made this year when the old student activities fee was abolished.

The six dollars charged each student at the beginning of the first and second semesters of the current scholastic year is a general University fee, levied for the privilege of attending the University, and is in no sense of the word a student activities fee, according to the administration.

#### Old Fee Discontinued

The old student activities fee of four dollars a semester was discontinued this year, on the grounds that all students did not share equally in the benefits which it provided, such as admission to athletic and other contests, medical attention, and participation in the several student clubs and organizations partially subsidized by the University.

Instead, such activities are cared for this year directly from the general University budget, a step which makes student activities a definite and integral part of the University, rather than an outside enterprise functioning as a separate unit on a fund of its own.

Under the present plan, the University fee charged is made on the assumption that every student in the University is an equal partner in its existence, regardless of the number of semester hours which he may happen to be carrying. The funds derived from this fee go automatically into the general University treasury. Such a policy is prevalent at large universities throughout the country, according to the administration, with the only difference being that the fees at these institutions are generally larger than that charged at George Washington.

In the next issue of The Hatchet a budget listing the expenditures for student activities will be printed.

## PHANTOM NUMBER OF GHOST TO APPEAR SOON

New Features and New Contributors Planned For April Issue of Ghost

Two scientific treatises will feature the Phantom Number of the Ghost, which will be obtainable on the campus the latter part of this week.

"The Failure of the Solar System as Foretold by Ingersoll's Instrument," by Legion K. Smith, is a treatise on the fundamental existing conditions of the football team as opposed to those put forth in the last issue of the Wig. Co-authored with this will appear a "Scientific Treatise on Disease Prevalent Amongst College Students, the Hangover," written by Edward Jamison and illustrated by "Doc" Armstrong.

Timely Tunes will be by Janet Shepard, a new contributor. The original poems, spicy exchanges, and clever drawings which will serve to complete the issue, include the work of several other new contributors. The cover is to be the work of Betty Buntin.

The Board of Editors again calls attention to the stories which, in answer to repeated requests, will be run in the Ghost in the near future. Persons interested in submitting such are requested to leave manuscripts, preferably typewritten, in Dean Doyle's office or in the Ghost box in Lisner Hall.

## Y Plans Benefit For Graduate Fund Today

Y. W. C. A. Will Give Easter Baskets to Children at Hillcrest on Sunday

The Y. W. C. A. of George Washington University will give a bridge party for the benefit of the Graduate Endowment Fund on Wednesday, March 20, at eight o'clock in the Women's Building of the University. Elizabeth Buntin is general chairman of the committee for the benefit with Elizabeth Miles in charge of the refreshments. Prizes will be given. Tickets may be secured from any member of the Y at fifty cents apiece.

The Y. W. C. A. will give Easter baskets to the children of Hillcrest as usual this year. Girls are requested to bring dyed eggs to the Women's Building on Thursday, March 28.

## Razz Berry Will Air Scandals At Greeks' Prom At Willard Exposing Students and Profs

"Razz Berries for sale. Buy a Razz Berry and learn the 'dirt'!" will be the midnight cry at the annual Interfraternity Prom when twelve members of Pi Delta Epsilon, publishers of the scandal sheet of the University, are turned loose on the floor with hundreds of copies of this year's issue.

What promises to be the most potent number of the Razz Berry ever to appear on George Washington University campus is already off the press, and copies are being held under seal until March 22.

Unique in its makeup the 1929 Pink Sheet has departed from traditions of the past, promising to reveal all satirical publications in the country. As usual the editors have sought far and wide to gather the choicest collection of "inside" scandal on both students and faculty alike, sparing no one its scythe of burning satirical comment.

Sororities will especially be on the plan together with hundreds of people in the University. The old motto of "To be ignored is to be ignominious" is the by-word this year, and as a result names will appear, with associated dirt, that will surprise the two hundred couples who will attend the Prom.

Copies will be sold at fifteen cents each or two copies for a quarter. On the following Saturday morning the Razz Berry will be sold on the campus. No copies will appear for public sale thereafter.

## NATIONAL CONFERENCE RECOGNIZES G.W.W.A.A.

Crumley Is Elected New President of Women's Athletic Association

Membership in the Athletic Conference of American College Women has been granted to the George Washington Women's Athletic Association, as announced in the business meeting which was held in the gymnasium on Wednesday evening, March 13.

Elections of officers for the coming year were held at this meeting as follows: Naomi Crumley, president; Roberta Wright, vice president; Jenny Turnbull, secretary; India Belle Cora, first sub-secretary; Winifred Beall, second sub-secretary; and Evelyn Folson, treasurer.

It was decided that those who wish to compete only for class teams would not be required to comply with the regular rule of two-out of three practice periods a week. Their attendance will be necessary only at one practice a week.

April 17 was determined upon at this meeting as the date for the W. A. A. bridge party. Tickets will be one dollar a person, and prizes will be given at each table.

## PROM PLANS COMPLETED FOR COMING FRIDAY NIGHT

(Continued from page 1)

tirical sheet of Pi Delta Epsilon, honorary journalistic fraternity, will be sold. Since a great deal of "dirt" is expected to be aired, and prominent idols will be shown to have feet of clay, there is expected to be a grand rush to get copies of the pink publication.

#### Battle of Music

From this time on the "battle of the music" will begin. For the first half hour or so, the Lido band will play alternately with Wesley Eddy's Palace aggregation. The latter is a great favorite with Washington theatre-goers, and this is one of the few times that Eddy has left the pit of the Palace to play elsewhere. Then the Lido orchestra will drop out and the band from the Aster will take its place to give battle to the Palace orchestra. This is the first time that such a unique attraction has been featured at a George Washington prom.

Unusual interest has been evidenced this year in the annual ball of the Interfraternity Council. Many have had dates since early in the year and many are now feverishly making up their programs. It is expected that the prom will be long remembered.

#### Patrons and Patronesses

The President of the University and Mrs. Cloyd Heck Marvin lead the list of notable faculty folk who are acting as patrons for the affair. Others are Dean and Mrs. Howard Lincoln Hodgkins, the Comptroller and Mrs. Charles Wendell Holmes, the Secretary and Mrs. Elmer Louis Kayser, Dean and Mrs. Charles E. Hill, Dean and Mrs. William C. Van Vleck, Dean and Mrs. William Cline Borden, Dean George Neely-Henning and Miss Henning, Dean and Mrs. William C. Ruediger, Dean and Mrs. John R. Lapham, and Dean and Mrs. Henry Grattan Doyle.

Tickets are five dollars per couple and three dollars per stag. A few may still be obtained from delegates to the Interfraternity Council, who may be reached at their respective houses. Wandering Greeks may also obtain them at the office of the Dean of Men.

## STUDENT MAIL ON HAND

Approximately a thousand pieces of mail addressed to George Washington students have accumulated at the Administration Building since last September.

The University has made no attempt to re-address this correspondence and it is essential that every student apply personally to make inquiry. The greatest bulk of the mail is from all appearances personal.

This mail may be secured by applying at the information booth in the Administration Building.

## COLONIAL WOMEN BEAT TWO TO ONE TRINITY DEBATERS

History Repeats Itself as Varsity Women Win and Men's Team Loses

### COLONIALS SHOW COLD LOGIC TO DOUGHTY FOES

Varsity Men Come Back From New York With Another Defeat Experience

It's the same story this week about the George Washington University debaters. The women won. The men lost.

The doughty team of Trinity College invaded the George Washington women at Stockton Hall on Tuesday evening, March 12. They appeared to be the best women debaters that had invaded the Colonies this year, with the exception of the British women.

They were well prepared and they made wonderful deliveries, but unfortunately for them the referees were not the audience this time but three judges, experienced in the subtle art of argumentation, two of whom voted against them.

#### Colonials Exhibit Logic

The Colonial girls—Elizabeth Reeves, Marjorie Mothershead and Louise Feinstein—spoke with conviction and their arguments were rife with cold logic, as against the human elements injected by their opponents.

The subject debated was the same one that the George Washington girls had been arguing the whole season. They maintained their old and favorite side on the question, "Resolved, That the jury system in the United States be abolished."

The same old arguments that have been presented in past debates were used by the Colonials in the contest with the Trinity College girls. The invaders presented new phases of the question.

#### Men Defeated Again

The men's debating team, composed of Karl Frisbie, Hearst R. Duncan and Andrew Howard, that went to New York and debated on the jury system question and maintained the same side as the George Washington women, came back to their collection. However, they showed the New Yorkers that George Washington University has a debating team better than its football team.

### POLITE—A Connecticut Yankee

Musical comedies are often so much alike that even the most enthusiastic girl-show fan falls asleep when he hears the same old jokes told in the same old way by the same old comedians.

There is one musical comedy combination which has made a name for itself because it does not follow the beaten path. This is the producing organization headed by Lew Fields and Lyle D. Andrews, with Herbert Fields, Richard Rodgers and Lorenz Hart as their star author, composer and lyricist, respectively.

The cast combines great names of musical comedy and drama. William Gaxton is the Yankee, bringing to the show all the experience of his years in revue and vaudeville. George E. Mack, Mary Adams, Richard Lane, Nana Bryant, Paul Evertson, Alice Cavanaugh, and Jack Thompson appear in the remaining roles.

### PALACE

D. W. Griffith's United Artists' picture, "Lady of the Pavements," is the feature screen attraction at Loew's Palace this week. It is a synchronized picture, with talking and singing sequences. Featured in the cast are Lupe Valez, William Boyd and Jetta Goudal. The production is marked for its lavish settings and spectacular display.

### EARLE

"The Cohens and Kellys in Atlantic City," Universal's latest picture, revealing the adventures of the Cohen and Kelly families, and the first to be made as a talking picture, is the current featured screen offering at the Earle Theater.

A fine cast appears, headed by George Sidney, Vera Gordon, Mack Swain and Kate Price. The romance is provided by Cornelius Keefe and Nora Lane, with Virginia Sale and Tom Kennedy in vivid roles. All register well on movietone. Sidney especially, reminding one of his former vogue as a stage comedian.

### FOX

Five persons of widely separated social standing marooned in a deserted hunter's cabin in the Far North, present the picture within a picture, now at the Fox Theater, "The Sin Sister," which stars Nancy Carroll, Lawrence Gray and Josephine Dunn.

Accompanying the feature is a Fox Movietone symphonic score arranged by "Roxy" (S. L. Rothafel). The stage portion of the program presents youthful Bert Frohman as master of ceremonies, introducing a selected cast of Broadway favorites.

### COLUMBIA

"The Bellamy Trial," a Metro-Goldwyn-Mayer talking picture, is the current screen attraction at Loew's Columbia Theater. The cast includes Leatrice Joy, Betty Bron-

son, Edward Nugent and Margaret Livingston. Monta Bell, formerly a Washington newspaper man, was the director.

The story opens with an M-G-M Newsreel subject, leading into the trial scene of the picture, and for four reels the evidence is presented.

### METROPOLITAN

Richard Barthelmess is the featured screen star again this week at Crandall's Metropolitan in "Weary River," his first National Vitaphone talking picture, which has been attracting unusual crowds to the Metropolitan, which compare in size to those that saw "The Singing Fool." This week's engagement will end positively on Friday night.

UNIVERSITY LUNCH  
"Where 20th Crosses the Avenue"

A well known golf pro recently returned from a vacation in Glasgow, his home town, relates a current golf magazine. "Well," he was asked, "how did the boys treat you back home?" "Verra reluctantly!" said he. Well might some smokers likewise reply if asked about their cigarette, we imagine. Mild, of course (most cigarettes are, today), but "verra reluctant" when it comes to delivering taste and body and character.

Chesterfields were blended to supply just that "body" which so many "mild" cigarettes lack. For in addition to that desirable blandness there is a distinct "edge" to its smooth, mellow flavor, which is just what the smoke appetite craves. Mild—yes; just that mildness which everyone wants—but something more, something plus—character! The character that makes Chesterfields par for cigarettes. They satisfy!
